When It's Time to Go & Grow

Lead Pastor Terry Brisbane
February 4 & 5, 2012

Luke 2:42-52 (NKJV)

42 And when He was twelve years old, they went up to Jerusalem according to the custom of the feast.

43 When they had finished the days, as they returned, the Boy Jesus lingered behind in Jerusalem. And Joseph and His mother did not know it;

44 but supposing Him to have been in the company, they went a day's journey, and sought Him among their relatives and acquaintances.

45 So when they did not find Him, they returned to Jerusalem, seeking Him.

46 Now so it was that after three days they found Him in the temple, sitting in the midst of the teachers, both listening to them and asking them questions.

47 And all who heard Him were astonished at His understanding and answers.

48 So when they saw Him, they were amazed; and His mother said to Him, "Son, why have You done this to us? Look, Your father and I have sought You anxiously."

49 And He said to them, "Why did you seek Me? Did you not know that I must be about My Father's business?"

50 But they did not understand the statement which He spoke to them.

51 Then He went down with them and came to Nazareth, and was subject to them, but His mother kept all these things in her heart.

52 And Jesus increased in wisdom and stature, and in favor with God and men.

Display My Love

From Your hands
The gifts You've poured like rain
Reflect Your heart, Your gracious heart
And from Your lips
The promises You've made
Will never fail, it's who You are

You are wonderful
More than words can say
They seem to fall so short
But I'll sing anyway

*Your faithfulness and mercy prove
There's no one quite like You
So how should I display my love for You
You've broken me with tenderness and care*

I don't deserve Your gracious touch
With all I have I'll do my best to share,
With every soul what You have done

And I could paint a thousand works of art
And not come close to portraying
How beautiful You are

I Am Yours

What is this place I've found
This sacred ground
Where You and I will run
Oh, that I'd never leave from here
With every second spent
The world around me seems to fall away
And with it all concerns and fears

*So, I'm thanking You now
For showing me how to love You
For showing me how to find myself in You
Here's my song
I am Yours*

What is this grace I've found
That brings to light
The deepest parts of me
And yet it's this grace that pulls me through
With every glance from You
That comes my way
I'm feeling more alive

So I'm gonna keep my eyes on You
